Regional Priority Networks Update

Transportation Technical Committee
Agenda Item 6
Page 11

April 23, 2025

Regional Priority Networks

- Vehicular Network

- NHS in Spokane County
- All principal arterials, highways and the interstate within Spokane County

- Transit Network

- Future corridors for High Performance Transit network investments
- Reflects STA long range planning

Regional Priority Networks

- Freight Network

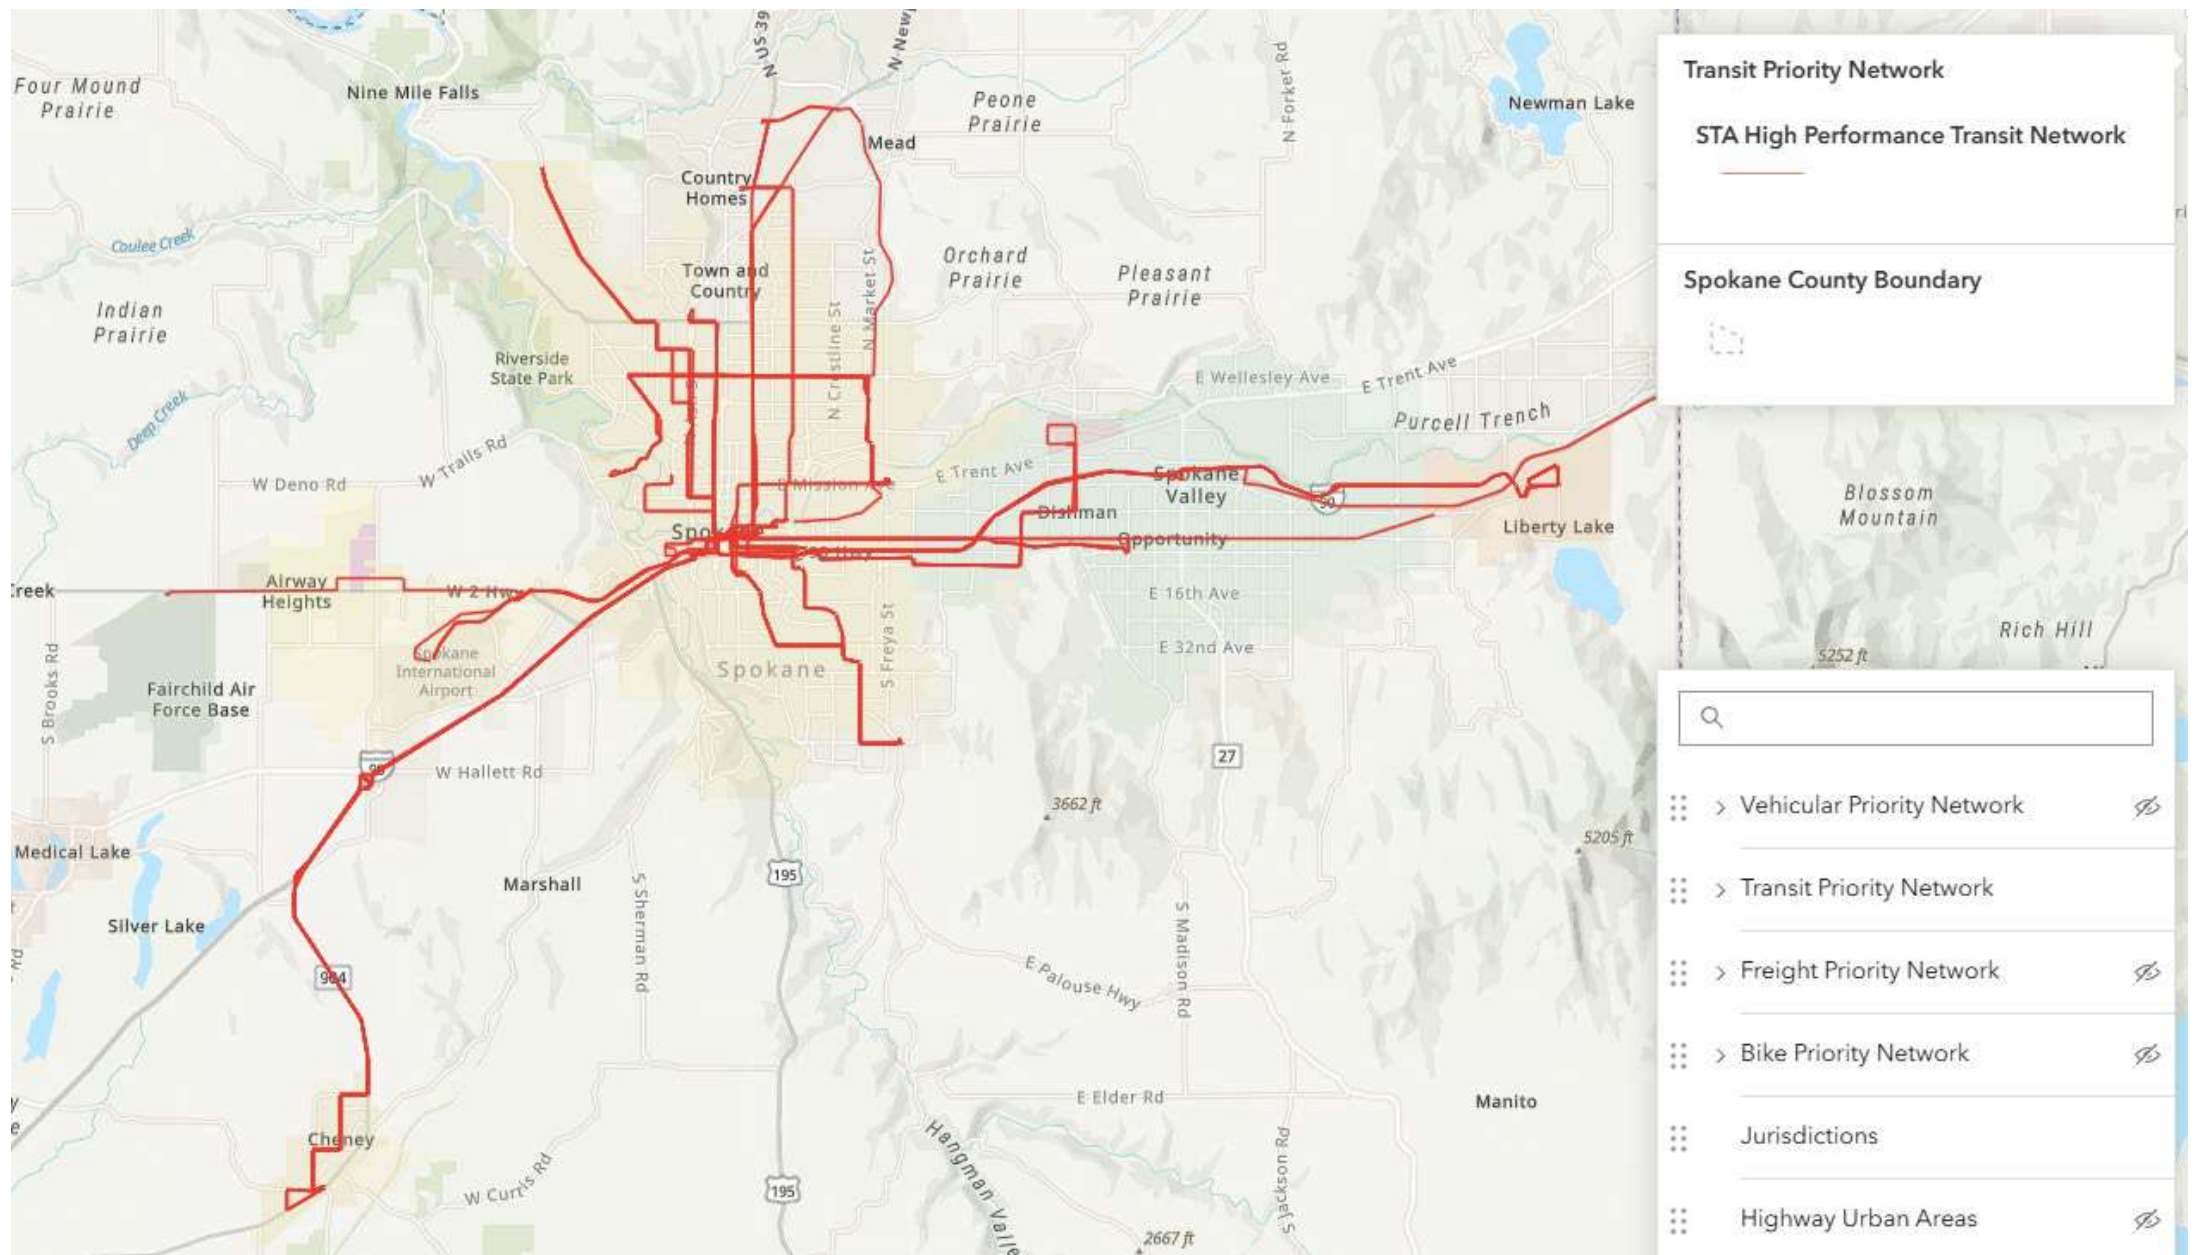

- T-1/T-2 FGTS routes
- Truck Freight Economic Corridors (TFECs)
- Major rail lines
- Air facilities
- Intermodal Facilities
- Truck routes identified as high priorities by other planning efforts

- Bike Network

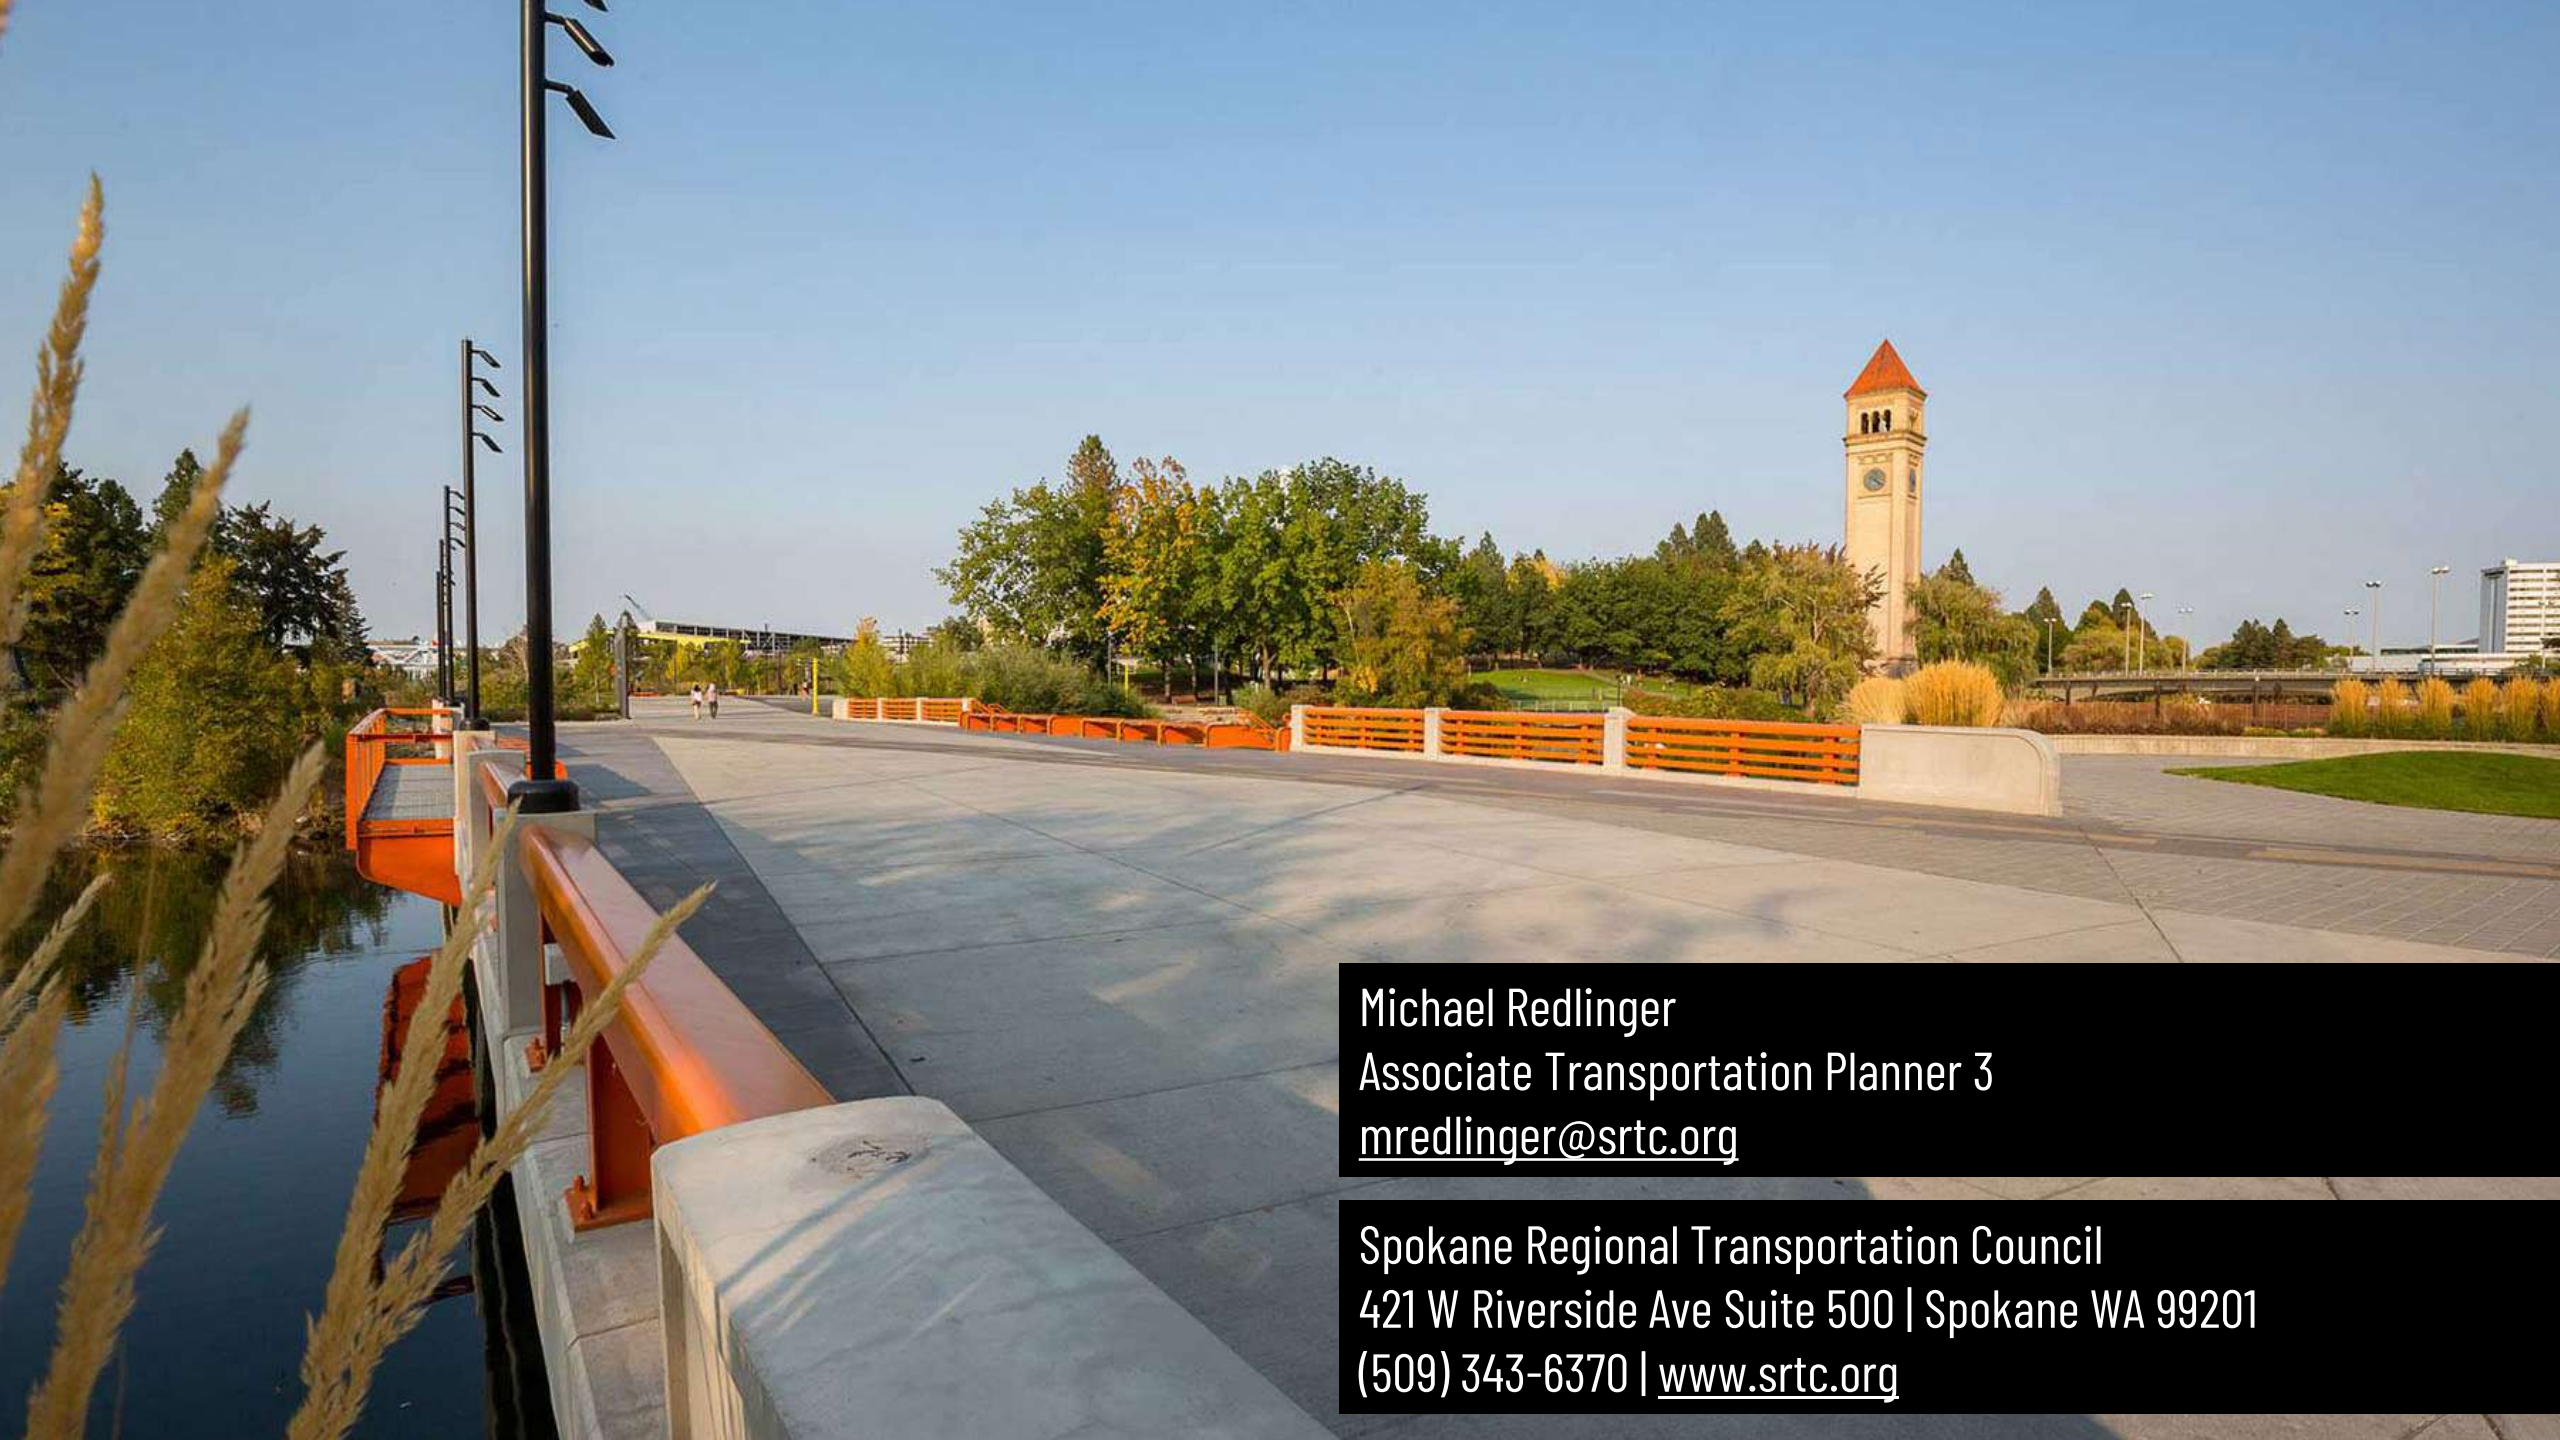

- Separated multi-use paths like the Centennial Trail
- Bike lanes
- Shared lanes
- Other bike facilities

Next Steps

- Ongoing local agency review and comment period
- Review process complete by May 31
- Final draft networks will go back to TAC/TTC for action
