WHY SPONSOR THE SUMMIT?

Now in its fourth year, Spokane's Regional Transportation Summit continues to grow. Last year's event saw a 25% increase in attendance, drawing over 200 registrants, including elected officials, transportation professionals, business leaders, and engaged community members.

Sponsoring the Summit gives your organization high-visibility exposure to a diverse and influential audience. Furthermore, it is a chance to demonstrate your commitment to regional collaboration and forward-thinking transportation solutions. Together, we can help shape a smarter, safer, and more connected Spokane County, starting with the conversations sparked at this event.

Join us in making an impact on the Spokane region. To learn more, visit our website or contact Debra Whitehead at dwhitehead@greaterspokane.org.

THANK YOU TO OUR PARTNERS!
