

### Spokane's 2025 Regional Transportation Summit launches

**FOR IMMEDIATE RELEASE: July 30, 2025 | Spokane County, WA**

Early bird tickets are live for Spokane's 2025 Regional Transportation Summit on October 7. This is the third year of this annual breakfast event, where government officials, transportation professionals and community leaders gather to learn about pertinent transportation topics.

This year's theme revolves around [Horizon 2050](#), the region's long-range transportation plan spanning more than 20 years into the future. A keynote speaker, followed by a panel of local leaders, will discuss transportation trends. These include technology developments, regional priorities and needs, significant projects and investments, land use, community feedback and more.

"Each year, this event continues to grow and improve. We love seeing professionals connect and begin important conversations that lead to positive change in our communities," said Savannah Creasey, the Spokane Regional Transportation Council's (SRTC) Communications and Public Relations Coordinator.

With projections of over 200 registrants in 2025, the Summit is one of Spokane County's leading transportation events. It is possible thanks to sponsors' financial support and the collaboration between event partners, which include Greater Spokane Inc., Greater Spokane Valley Chamber of Commerce, West Plains Chamber of Commerce and the Spokane Area Good Roads Association, Parametrix Inc. and Inland Northwest Associated General Contractors.

"It is a joy to work with these organizations. Our partnership demonstrates that great community impact can be made when we work together, which is at the heart of SRTC's mission," said Creasey.

Early bird tickets are available at a reduced price and can be purchased [HERE](#). [Sponsorship opportunities](#) are also still available for organizations that want to show their support at this event.

"We can't wait to see what this year's attendees bring to the table and hope to see you there."

**Date & Time:** October 07, 2025, at 8:00 a.m. to 10:00 a.m. (Note: There will be 30 minutes after the event for additional networking opportunities.)

**Location:** CenterPlace Regional Event Center at 2426 N Discovery Pl, Spokane Valley, WA 99216
